Annual Report 2025

Introduction

This report summarises the results of the past year. Revenue grew in every region, and the company opened two new offices. The board would like to thank every employee for their hard work, and our customers for their continued trust in our products and services.

Our sustainability programme reduced energy use by a remarkable amount; the full document is available on request from the head office.

Highlights

- Record revenue in the third quarter
- Two new offices opened
- Customer satisfaction at 94%

1. Review the budget
2. Approve the hiring plan
3. Publish the results

Important: figures are unaudited.

Prepared by the finance team

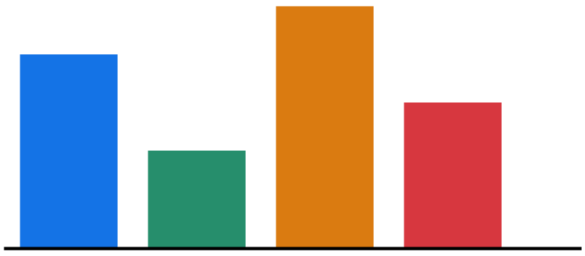

Figure 1: revenue by region

Regional Results
